ARRIVAL (Saturday to Saturday)

The Belize Aggressor III and Belize Aggressor IV operate out of Belize City, Central America. Guests arriving in Belize on Saturday are greeted at the international airport by a crewmember in uniform who will have a “Belize Aggressor III and Belize Aggressor IV” sign when guests exit outside of the airport. (transfers are not provided from the Belize City Municipal Airport) The yacht agent cannot enter Customs but will be just outside at the international arrivals area. Baggage handlers may aggressively offer to help with your luggage those few feet for a mandated per bag fee. Guests will be transported in an air-conditioned van to the Radisson Fort George Hotel. Due to several flights arriving at the same time, the van will wait for all guests to arrive before departing the airport. Sometimes this can take over an hour for everyone to clear customs. Guests are welcome to take a taxi to the Radisson Fort George Hotel if they prefer not to wait. (approx. \$25) If you are already in Belize, please make your way to the Radisson Fort George Hotel any time before 3 pm. Both yachts dock or anchor at the Radisson Fort George Hotel Dock and depart for the week after everyone is onboard Saturday evening.

Airport Arrival into Belize: There are two complimentary transfers provided by the Belize Aggressor III and Belize Aggressor IV from the airport to Belize City at approximately 12 pm and 4:30 pm which may vary based on the flight arrival times. Most flights arrive around the same time. Guests may have to wait up to one hour for the shuttle; however, they may wait in the airport lounge which has free wi-fi. If guests prefer not to wait, they may take a taxi for approximately \$25 to the Radisson Fort George Hotel and wait until boarding time.

information subject to change without notice 12/21/2020

Guests may board the boat starting at 3 pm and all guests must be onboard by 6 pm. At the end of the week, there will be two complimentary shuttles to the airport at approximately 8:00 am and 12:00 pm. Guests departing earlier or later, may use the Radisson Fort George Hotel facilities and take a taxi from there.

For guests arriving early in the day, Aggressor Travel, info@aggressortravel.com can arrange a private car and driver for the day to tour nearby ruins, the Belize zoo or other activities.

In the event you arrive a day late, you can still board the boat by having the yacht agent hire a water taxi to transport you to the Belize Aggressor III or IV. The cost of this service ranges from USD \$400 to \$800 (cost is determined by the location of the yacht) and is the client's responsibility. *(This cost is subject to change without notice)*

ITINERARY

Throughout the week you will dive at Turneffe and Lighthouse Reef. Sheer walls like Painted Wall, Half Moon Caye Wall and Quebrada are adorned with huge crimson gorgonians and wandering, lilac rope sponges. Weather permitting; divers explore the mystical Blue Hole, a collapsed freshwater cave system. With all dives from the mother ship, up to five dives a day are offered except on Friday. Diving begins Sunday morning and ends Friday before lunch when the yachts return to port. The staff hosts a sunset cocktail party at 5:30 p.m. followed by dinner shore (not included). Saturday morning at 8:00 am, guests are transferred to the Belize Airport or a local hotel. Throughout the week there will be opportunities to go ashore for swimming, snorkeling and beach combing.

WELCOME

It is important to notify our office of last-minute changes concerning your airline arrival and departure times or any changes in your address and telephone numbers. The enclosed information will assist you. Please download the most recent "Know Before You Go" before your vacation from our website. The Reservations Office and the yachts are in constant communication. In the event of an emergency, family and friends may contact you at the above numbers. If you need to reach the yacht, please call or e-mail the boat. There is a satellite phone onboard; however, it does not have a recorder. Phone calls and emails may be sent from the yacht and will be billed at the end of the week. (Wi-Fi can only be accessed when the yacht is at the dock, not during the cruise) To ensure the timely arrival of your luggage into Belize City, we recommend re-checking it at the ticket counter before your international departure to Belize City.

We recommend you travel with a carry-on bag with a change of clothes, bathing suit, medication and toiletries. In any case whereas your dive equipment is delayed, you will be provided with a 'Free' set of loaner equipment. Having these few items with you can make an unexpected luggage delay more bearable.

FEES & TAXES (per person)

Each guest must pay a \$130 (7-nights) and \$185 (10-nights) port fee (includes cruising tax and park fees) at the end of the charter when settling your bill. These may be paid by Visa, MC, US or BZ cash. Travelers checks are not accepted onboard.

THE YACHTS INCLUDE:

All staterooms are air-conditioned and fitted with a private toilet, shower, sink, hair dryer and robes. Breakfast (cooked to order), lunch and an elegant meal at dinner with tableside service are served in addition to fresh mid-morning and mid-afternoon snacks. Beverages, soft drinks, local beer and wine are complimentary while onboard. Linens are changed mid-week and fresh towels are placed in each stateroom as needed. Filled tanks, weights and weight belts are included. Each stateroom is equipped with a TV and digital media player utilizing USB inputs. Feel free to bring your preferred programming to watch or ask the staff to show you how to use the provided thumb drive for in-room viewing.

PASSPORTS & DOCUMENTATION

Visitors must have a passport that is valid for at least 6 months beyond your period of stay, adequate funds to support themselves, and a return airline ticket to travel to Belize. It is the travelers' responsibility to

ensure they have the proper documentation to travel into each country on his or her itinerary as well as for re-entry and return to their country. Please check with the appropriate consulate to ensure you have the proper documentation. Always check your passport and visa requirements. USA citizens may go to the USA Department of State website at www.travel.state.gov for more information. The website also has information for consulates by country to assist with requirements. There are special requirements for children leaving the USA and many countries have adopted requirements for the protection of children. Since regulations vary by country, contact your consulate or embassy of your country for the requirement. ***The Reservation Office and staff cannot assume responsibility for passengers not having correct documentation.***

C-CARDS

Remember to bring your c-card or proof of certification. The divemaster requires proof of certification before the first dive. If you are a repeat guest, you are automatically enrolled in the Dive the World Club and will receive onboard discounts. Your membership is indicated on the Captain's rooming list.

GIS (GUEST INFORMATION SYSTEM)

The Reservations Office, Belize Aggressor III and Belize Aggressor IV require each guest to complete a Cruise Application and Waiver prior to departure and diving through our online GIS (Guest Information System). If you have not received a link to complete the online Guest Information System (GIS), please call an Aggressor Liveboards agent. ***Passengers who fail to complete it online will be denied boarding.***

INSURANCE

We strongly recommend each guest purchase comprehensive accident, medical, baggage and trip cancellation and interruption insurance when space is reserved. Trip insurance will protect you from financial disappointment if you are prevented from making your scheduled trip due to illness, family illness or in the event that unforeseen circumstances prevent the airline or yacht from making its scheduled trip. In the event you cancel your trip, be familiar with Aggressor Adventures cancellation policies, which can be found on the website. More information can be found about insurance with Diveassure, Divers Alert Network and Travel Guard on our website.

HEALTH

The yachts have a first aid kit onboard, including oxygen and an AED. You may want to bring motion sickness medication if you feel you will need it. We suggest you bring over-the-counter motion sickness medication or consult your doctor about prescription brands, such as the trans-dermal patch or Scopace tablets. Currents and winds may cause moderate movement of the yacht at times. We recommend a complete physical before your trip. There are two recompression chambers located in Belize.

The yachts and their staff are unable to accept any medication brought onboard for safe keeping including those that require refrigeration. Should a guest have a medication requiring temperature control, they will need to travel with a travel cooling case or small storage cooler with several blue ice packets. The crew will be happy to store and recharge the blue ice but are unable to accept possession of or responsibility for the proper care and storage of medication. This should be kept in your stateroom.

Belize, like all Central and South American countries, has reported cases of malaria and dengue fever, therefore, medication is recommended for extended stays into the mainland. We suggest that you consult with your doctor. There is NO smoking allowed inside the yacht or on the dive deck. Smoking is only permitted on the rear of the sun deck.

THE YACHTS

Belize Aggressor III

The Belize Aggressor III is a 110' yacht with a wide beam. Built and powered for comfort, safety and stability, she is diesel-powered, cruises at 10 knots and has 110-volt power onboard. Accommodations

include 9 Deluxe staterooms, 7 have a double and single bunk-style berth and 1 with 2 single bunk-style berths and 1 Master stateroom with one double bed. All staterooms have climate controls and are equipped with a TV and digital media player utilizing USB inputs.

The Belize Aggressor III sleeps 18 guests in privacy and comfort. She features a roomy, air-conditioned salon and dining area, sun deck complete with a hot tub, lounge and deck chairs, stereo player, shaded wet bar, a complete photo center with a digital video and still photo editing computer. The Belize Aggressor III has a safe aboard to store valuables such as passports, cash, credit cards or anything else you would like to store.

Belize Aggressor IV

The Belize Aggressor IV is a 138' yacht with a wide 26' beam. Built and powered for comfort, safety and stability, she is diesel-powered, cruises at 12 knots and has 110-volt power onboard. Accommodations include 8 Deluxe staterooms with two twin beds or one king bed and 2 Master staterooms with one queen bed. All staterooms have climate controls.

The Belize Aggressor IV sleeps 20 guests in privacy and comfort. She features a roomy, air-conditioned salon and dining area, sun deck complete with a lounge and deck chairs, stereo, shaded wet bar, a complete photo center with a digital video and still photo editing computer.

BOTH YACHTS

Diving amenities include Nitrox (unlimited Nitrox is \$100 per week or \$150 for 10 nights), individual dive lockers, camera table with low-pressure air hoses, and two hot, freshwater showers. We highly recommend extreme caution and care be taken if you plan to travel onboard with electronic equipment. This equipment should always be stowed after use to avoid the risk of damage. The yachts are not responsible for lost, damaged or stolen items.

FOOD

The menu onboard is varied and plentiful, with a variety of American feasts, barbecues and local cuisine. If you have any special dietary requirements, please be sure these are noted when completing the GIS. You will awaken to fresh fruits, hot entrees, cereals and juices. Lunches feature hot soups, homemade breads, salads and sandwiches and/or entrees. Dinners are served each evening and include salads, vegetables, seafood, beef or chicken with a fresh homemade dessert. Once onboard, please speak to the chef about any special needs. Certain special dietary and beverage requests may not be available due to the remote nature of this location.

BEVERAGES

The beverage selection includes fruit juices, soft drinks, iced water, iced tea, coffee, and a limited selection of local beer and wine, which are complimentary. Due to the high duty charged on liquor, we suggest you bring your special brand from the U.S. Liquor can be purchased from the airport duty free shops prior to departing on your last flight to Belize City. Drinking and diving do not mix. Once you consume alcohol, you become a snorkeler until the next day.

CLOTHING

Please plan to travel light, as on all live-aboard dive yachts, space is limited. We recommend that you pack your gear in soft luggage such as a duffel bag for easy stowage and to add to your comfort in your cabin. Clothing should be lightweight, comfortable sportswear; sunscreen and swimsuits are a must. A light sweater or jacket is ideal for evenings. Dress is always casual and informal. Additional items you may want to bring are sunglasses and walking shoes for you time on shore.

ENTERTAINMENT

There is a variety of nightly entertainment, including diving, fish identification presentations, movies, games and more. If you have a favorite movie, digital presentation or a video to share, we encourage you to

bring it along. The crew especially loves new releases of movies, recent magazines and books. A small library of books for exchange is maintained onboard as well as fish identification books for reference.

CELEBRATING A SPECIAL OCCASION

Whether it's your anniversary, birthday, honeymoon, wedding or you are celebrating a 100th dive, please let us know so the crew can celebrate your occasion. Kindly advise the USA office prior to traveling so the crew is notified in advance.

DIVING CONDITIONS

You will be diving in water that averages 82°F in the summer months and approximately 78°F in the winter months. Most guests make as many as 5 dives each day, so some sort of protection is needed. A 1-3mm wetsuit or shorty is recommended year-round. All diving is from the mother ship.

DIVING

The staff onboard, with their unique combination of talents, offers the ultimate service. While onboard, you may pick a buddy of your choice, or dive with one of the crewmembers. The yachts offer up to five dives per day (2 on the last day) including night dives. There is ample storage space for your diving equipment in your personal locker. The Belize Aggressor III and Belize Aggressor IV provide 80 cubic ft. tanks, weight belts and weights.

The stern and platform area is very spacious. The boarding ladders were designed for convenience to allow divers easy entries and exits. Enjoy freshwater showers on the back deck after your dives and dry off with a warm towel. All diving onboard the Belize Aggressor III and Belize Aggressor IV should be within the limits and standards of the training agency that certified you. All dives should be planned no decompression dives.

DIVING SUPERVISION

You've chosen a liveaboard vacation for the diving freedom that it offers. While in the water, you and your buddy are in charge. Every dive starts with a dive briefing from the yacht staff. However, as a certified diver, you and your buddy are responsible for planning and conducting your own dives within the limitations set forth by the briefing. The yacht staff will be on the dive deck providing surface support for divers. We will also have staff in the water offering support, u/w photography and videography, and critter spotting services as well. On some dive sites a staff member will offer to lead a group and assist them in locating specific points of interest. However, they do not offer direct supervision of dives. If you start out with a group, as long as you and your buddy remain in contact with each other and are ok – you may follow your own dive plan. Divers who desire more personal attention and structured/supervised dives should consider taking one of the numerous specialty courses. An underlying skill featured in all of specialty training is planning, executing, and debriefing after your dive in order to build a more confident diver.

DIVE GEAR SUGGESTIONS

We suggest you pack the following: mask, fins, snorkel, regulator with pressure gauge, depth gauge, buoyancy compensator, dive computer, dive light, mirror, safety sausage, Dive Alert and/or other safety devices. Dive computers are mandatory for each guest. Each piece of gear should be marked with waterproof paint or tape. **Additional Notes:** Belize does not allow drones.

GREEN THE FLEET

Contribute to our Green The Fleet sustainability initiatives. Here are a few reminders:

- Avoid traveling with single-use plastics.
- Remove packaging from any new purchases before traveling.
- Travel with a reusable cloth facemask or neck gator verses a disposable one.
- Travel with a refillable water bottle for hydration.

- Use rechargeable batteries.
- Use an environmentally safe (i.e.: "Reef Safe") sunscreen, or better yet use fabric to cover up instead of relying on chemical protection.
- Conserve and responsibly use fresh water when at your adventure destination.
- Be environmentally conscious in everything you do.

CONSERVATION LAWS

Conservation laws do not permit spear fishing or collecting.

RENTAL DIVE EQUIPMENT

A full line of Aqualung rental gear is available aboard including regulators, BCs, dive computers, and night-lights. If any of your dive equipment fails while onboard, the crew will loan you equipment free of charge.

CERTIFICATION & SPECIALTY COURSES

Several diving specialty courses are offered onboard including Nitrox, Advanced Open Water, UW Photography, Master Diver and more. Open Water Certification Courses & Check-Out Dives are offered as well. A list of available courses and prices are available on our website.

PHOTO/VIDEO EQUIPMENT

The yachts offer a complete digital photo facility including a PC for downloading photos. The photo pro is available for free coaching with equipment rental. Photo equipment is available to rent separately or as a complete set up. The yachts have a strobe charging station and a large camera table available for your camera and video equipment. Guests should bring their own battery chargers. *Please refer to www.aggessor.com for pricing of rental equipment and certification courses.*

UNDERWATER VIDEO

Our Video Professional can capture your diving adventure onboard to share with family and friends. Video of the week (includes all guests and crew) are USD \$65 per person.

BOUTIQUE & CREDIT CARDS

There is a mini-boutique onboard, which sells a selection of logo clothing including t-shirts, caps, and miscellaneous items. One day during the week, the crew will have a 'boutique day'. The yachts accept cash, Visa, & MasterCard. Sorry no personal checks, travelers checks or Discover cards. If you would like to purchase additional boutique items after your trip, feel free to visit www.aggessor.com.

FRIDAY (7 Night Trips)

After diving on Friday, the Captain will collect payment for purchases made throughout the week. The yachts return to Belize City at approximately 1:00 p.m. to provision and fuel. Shopping, a visit to the Belize Zoo, Cave Tubing, or a tour of a Mayan Ruin are available weather permitting (inquire with your agent prior to traveling). The yachts will host a sunset cocktail party Friday evening then dinner ashore at a local restaurant (this is the only meal not included in the price of the charter).

GRATUITIES

Staff gratuities are not included in the charter. We believe gratuities should be voluntary and based upon the quality of service the crew has provided. When settling your account on Friday, the Captain will have an envelope for gratuities that will be divided equally among the crew. Payment can be made by cash, or credit card. Many Belize banks do not accept traveler's checks.

CHECKOUT

Saturday morning after a continental breakfast, guests will depart for the International Belize Airport at approximately 8 a.m. If you are extending your stay in Belize other than staying at the Radisson Ft. George, taxis are available.

ADVENTURE LOGS

Each week we post the log of the previous charter on the website and Facebook. Visit www.aggessor.com and go to the Adventure log to find out water temperature, visibility, and sightings.
