

# CRIMSON HOTEL

*Visayas - Mactan, Philippines*

AGGRESSOR  
ADVENTURES 

The Crimson resort offers an infinity pool that blends right in with the serene Hilutungan Channel, four restaurants and bars, a wide range of water activities plus opportunities for leisurely inactivity, including indulgent treatments at Aum Spa. Snorkel, swim or ride a banana boat? Maybe a nap on the beach? Lounge chairs are sprinkled by the pool and along the enclave of white sand out front. Fine coral reefs are only a few minutes away by speedboat. And taking advantage of our prime beachside location, we offer kayaking and jet skiing in addition to island-hopping tours and scuba diving trips. Once the sun descends, take in a pre-dinner cocktail at the chic Azure Beach Club before meandering across the resort's manicured grounds.
