Souq Waqif's vibrant complex is without doubt one of the most atmospheric places to explore in Qatar and a perfect encapsulation of Qatari culture. Join us for a journey into this cultural hub and explore an ancient marketplace, masterfully redeveloped to maintain its original 19th-century look with mud walls and exposed wood. The souq also has some beautifully restored, authentic Qatari buildings that is sure to please fans of traditional architecture. The tour also includes a visit to both the nearby Spice Souq and the Falcon Souq. This is the perfect trip for first timers to Qatar and the best way to experience genuine Qatari culture in a short time.

Spend a few hours at the Katara Cultural Village — Qatar's biggest multicultural hub. Marvel at the beauty of the Blue Mosque, adorned with turquoise and purple mosaic and the Golden Mosque, the Ottoman-style structure garnished with gold chips. See the Pigeon Towers, a prominent example of the Islamic architectural style and relax at the Amphitheater, the gem of the cultural village, which perfectly balances the classical Greek theatre concept with the subtle everlasting beauty of traditional Arabic architecture. You will also have a chance to relax at the Al Jazeera Media Cafe and the Katara Beach. The Cultural Village is also dotted with numerous sculptures (such as Gandhi's Three Wise Monkeys, Force of Nature, and more).

Visit Corniche and enjoy a guided walking tour along the seaside with the magnificent Doha Bay providing you with unrivalled views. See some of Qatar's most iconic landmarks, including the Museum of Islamic Art and the distinctive pyramid-shaped Sheraton Hotel, as you breathe in the crisp sea air.

The Pearl Qatar, Qatar's first artificial island. Tour the community's marinas, where luxury yachts and traditional dhows are docked.
